

TIMBER - A HEALTHY FUTURE FOR SUSTAINABLE BUILDINGS

March 7th | Koper, Slovenia

2019

Solutions for Building Technology

Timber, Health, & Sustainability

Why are we here?

(not an existential question... or is it?)

Timber, Health, & Sustainability

Why are we here?

(not an existential question... or is it?)

To learn, to be inspired, to be
challenged... To change.

Timber, Health, & Sustainability

What do we do now?

(still not an existential question... or is it?)

Research? Build? Teach?

What will you do?

Timber, Health, & Sustainability

THANK YOU ALL!
