

The Italian Society for Near Infrared Spectroscopy, in collaboration with the InnoRenew CoE and University of Primorska, is pleased to present the 9th National Symposium

A line graph showing a spectral plot with a baseline and several peaks of varying heights and widths, colored in a rainbow gradient from blue to red.

NIR Italia 2020

24-25 February 2021

beyond spectral range

In response to the recent outbreak of the COVID-19 coronavirus disease, we have decided to postpone NIRItalia2020 to February 24-25, 2021.

Abstract submission is extended until 15 December 2020 and will undergo peer review. Submit online at <https://conf.innorenew.eu/niritalia2020>

Before the conference, theoretical training and hands-on workshops will be offered to participants.

For the second time, SISNIR will publish the Symposium proceedings in a special issue of the international journal ISI JNIRS - Journal of NIR Spectroscopy.
