

Workshop on LCA in furniture/interior design industry

InnoRenew CoE, Livade 6a, Izola/Isola, Slovenia

Thursday, 12.02.2026, 10:00 - 16:00

At InnoRenew CoE, we are partners in the **FurnitureLCA** project (<https://www.furniture-lca.eu/>), an Erasmus+ project in which we are developing tools to present and bring closer to companies in the furniture industry (and more broadly the interior design industry) the analysis of the life cycle assessment of products (Life Cycle Assessment – LCA). Therefore, on **12 February 2026**, we are organising a **Workshop on LCA Analysis in the Furniture Industry / Interior Design Industry** at the InnoRenew CoE building in Izola, Livade 6a.

We kindly invite you or an appropriate representative of your company to attend the workshop. We promise to make the event as interesting, informative, and above all useful for companies as possible.

Workshop agenda

10:00	Arrival, registration, coffee and refreshments
10:25	Opening address (Dr. Andreja Kutnar, Department Chair, InnoRenew CoE, UP IAM)
10:30	Short introduction of FurnitureLCA project: Adam Majewski, the Coordinator of the project, FurniTRUE biuro
11:00	Short introduction to LCA: what is it, reasons to do it, how to do it, what to extract from the analysis so the companies can profit directly and indirectly (Dr. Črtomir Tavzes, InnoRenew CoE, UP IAM)
12:00	Coffee break
12:30	Demonstration of FurnitureLCA Data Collection Form (Alejandra Losada (Amuebla) and Adam Majewski)

13:00	Presentation of a use case: lessons learned, helpful suggestions for the companies and the LCA preparers, suggestions for improvement of environmental footprint (Dr. Črtomir Tavzes, InnoRenew CoE, UP IAM)
14:00	Discussion with the companies' representatives: experience with LCA, lessons learned, opportunities of use (moderated by Dr. Črtomir Tavzes and Adam Majewski)
14:45	Conclusions
15:00	Light lunch and departure
16:00	OPTIONAL for companies' representatives - Tour of the InnoRenew CoE building and laboratories (Dr. Črtomir Tavzes, InnoRenew CoE, UP IAM)
