Business rental of the 190 square meters of open lounge space on the first floor is available for an additional price. The lounge space can accommodate a wardrobe, refreshments, exhibitions, small stands, two screens for video projection, and a sound system.

Please contact us for package offers that bundle room rentals, lounge space, and refreshments. We can arrange refreshments with our official caterer.

Prices include room set-up, technical assistance during the event, and limited free parking for participants. Access for people with disabilities is provided. Prices are 30% higher for rentals after 18:00, on weekends, and during public holidays. VAT is not included in the price.
